## Financial Services Assessor Training

I understand that I if I am selected I will be required to complete the following unit standards through the ETITO financial services assessor training programme:

- Unit Standard 4098 Use standards to assess candidate performance
- Unit Standard 11551 Moderate assessment
- Unit Standard 11552 Design assessment

If you have already achieved any of the above unit standards please provide supporting evidence of achievement. You will still be required to attend the training using these unit standards in a financial services context; however you may be exempt from assessment against these unit standards.
