Zagga | your secured alternative

P2P for Brokers

How can you use P2P?

“ Zagga is your secured alternative...

We offer an alternative investment within a diversified investment portfolio, the potential of attractive returns, and manageable risk parameters. ”

Zagga

- NZ's first peer to peer lending platform specialising in secured loans
- Better returns for investors
- Better loan opportunities for borrowers
- \$25,000 - \$2 million
- Minimum loan \$1,000
- Fractionalised loans.

Zagga has evolved out of major market challenges

- Banks tightening up on lending
- Unmet demands of asset-rich, cashflow-poor quality borrowers
- Investor yields scarce
- Demand for income-producing assets
