

PROPERTY INVESTOR?

Pioneer provides flexible financing solutions for today's property investor.

With over 20 years experience in the property market, Pioneer Mortgage Services is well positioned to understand and cater for property investors needs, with products such as:

- Self certified loans – Self Employed? Don't have your financials up to date! Not to worry, with Pioneer self certified loans you can certify your income to take advantage of building or buying that investment property.
- 10 year Interest Only products – Available with fixed and floating rates.
- Smart Investor – Designed to maximize the investment potential from your home and investment property.
